***USEF** - “A professional is any rider who accepts remuneration for service—compensation or payment in any form, such as cash, goods, sponsorships, discounts or services, reimbursement of any expenses; trade or in-kind exchange of goods or services such as board or training.”

Grounds Fee - \$10/horse to assist in covering the cost of the facility. Stabling available \$10 per day, \$25 overnight.

Leadline – As a group, class will be led over ground pole course. Coaching OK

Riders may register for a maximum of 2 rounds per class. First round schooling is allowed.

Optimum Time Classes (OT)—The rider that comes closest to the time allowed (determined by judge’s measurement and appropriate speed) will be the winner. Time Allowed:

- **Ground Poles**—200 meters per minute (medium trot)
- **18’-2’ Jumper**—LOW DIVISION –250 meters per minute (fast trot)
- **2’3” – 3’9”** –MEDIUM & HIGH DIVISION –350 meters per minute (medium canter)

JUMP OFF CLASSES (JO)—All jumper classes in the outdoor arena (2’3” and above) will have a jump off course. When first round is clear, the judge will blow a whistle and the rider will begin the jump off course. Winner of the class is the rider with a clear jump off round in the fastest time.

FAULTS: Knockdowns and refusals are 4 faults. Third disobedience results in elimination.

Ground Poles: Equitation over Ground Poles encourages riders to use effective, safe and appropriate skills in riding over fences. Heels down, eyes up, “jumping” the center of the pole, and rhythmic pace creates security and a good effective position. The judge will score riders based on their demonstration of these skills.
