**Number/letter combinations coordinate directly with stand-alone jumping and dressage classes; ride times for the combo classes will occur with the stand-alone classes. (i.e. class 1E jump rounds align with class 1 on Saturday and dressage rounds align with class E on Sunday)**

**Also, please support our Silent Auction Fundraiser! This will be held in conjunction with the schooling show, and it will be located in the indoor arena near the show office.**

**\*USEF - “A professional is any rider who accepts remuneration for service—compensation or payment in any form, such as cash, goods, sponsorships, discounts or services, reimbursement of any expenses; trade or in-kind exchange of goods or services such as board or training.”**

**Grounds Fee - \$10/horse to assist in covering the cost of the facility.**

**Stabling available \$10 per day, \$25 overnight.**

**Leadline – As a group, class will be led over ground pole course. Coaching OK**

**First round will be judged in all classes, no exceptions. Schooling rounds are allowed. No refunds on scratches without a veterinarian note.**

**Optimum Time Classes (OT)—The rider that comes closest to the time allowed (determined by judge’s measurement and appropriate speed) will be the winner. Time Allowed:**

- **Ground Poles—200 meters per minute (medium trot)**
- **18’-2’ Jumper—LOW DIVISION –250 meters per minute (fast trot)**
- **2’3” – 3’9” –MEDIUM & HIGH DIVISION –350 meters per minute (medium canter)**

**JUMP OFF CLASSES (JO) - Jumper classes in the outdoor arena 2’6” and above will have a jump off course. When first round is clear, the judge will blow a whistle and the rider will begin the jump off course. Winner of the class is the rider with a clear jump off round in the fastest time.**

**FAULTS: Knockdowns and refusals are 4 faults. Third disobedience results in elimination.**

**Ground Poles: Equitation over Ground Poles encourages riders to use effective, safe and appropriate skills in riding over fences. Heels down, eyes up, “jumping” the center of the pole, and rhythmic pace creates security and a good effective position. The judge will score riders based on their demonstration of these skills.**

**Please Note: 1.) Ribbons for all classes will be awarded through 4<sup>th</sup> place.**

**2.) Prizes will be awarded for best Dressage score and closest to OT will also be awarded.**

**3.) Classes will not be held for any riders.**
